[Prevalence and determinants of persistent symptoms after treatment for Lyme borreliosis: study protocol for an observational, prospective cohort study \(LymeProspect\).](#)

Vrijmoeth HD, Ursinus J, Harms MG, Zomer TP, Gauw SA, Tulen AD, Kremer K, Sprong H, Knoop H, **Vermeeren YM**, van Kooten B, Joosten LAB, Kullberg BJ, Hovius JWR, van den Wijngaard CC. Vrijmoeth HD, et al. Among authors: **vermeeren ym**. BMC Infect Dis. 2019 Apr 15;19(1):324. doi: 10.1186/s12879-019-3949-8. BMC Infect Dis. 2019. PMID: 30987580

[Secondary care experiences of patients with multiple chronic conditions.](#)

Verhoeff M, van der Zaag HJ, **Vermeeren Y**, van Munster BC. Verhoeff M, et al. Among authors: **vermeeren y**. Neth J Med. 2018 Nov;76(9):397-406. Neth J Med. 2018. PMID: 30465654 Free article

[Lyme borreliosis and depressive symptoms in patients aged 65 years and older referred to a tertiary Lyme centre.](#)

Zomer TP, van Bemmelen T, van Munster B, van Kooten B, **Vermeeren YM**. Zomer TP, et al. Among authors: **vermeeren ym**. Eur J Intern Med. 2018 May;51:e19-e20. doi: 10.1016/j.ejim.2018.01.030. Epub 2018 Feb 21. Eur J Intern Med. 2018. PMID: 29475771

[Non-specific symptoms in adult patients referred to a Lyme centre.](#)

Zomer TP, Barendregt JNM, van Kooten B, van Bemmelen T, Landman GW, van Hees BC, **Vermeeren YM**. Zomer TP, et al. Among authors: **vermeeren ym**. Clin Microbiol Infect. 2019 Jan;25(1):67-70. doi: 10.1016/j.cmi.2018.09.016. Epub 2018 Oct 2. Clin Microbiol Infect. 2019. PMID: 30287411

[Incidence and characteristics of Lyme neuroborreliosis in adult patients with facial palsy in an endemic area in the Netherlands.](#)

Bierman SM, van Kooten B, **Vermeeren YM**, Bruintjes TD, van Hees BC, Bruinsma RA, Landman GW, van Bemmelen T, Zomer TP. Bierman SM, et al. Among authors: **vermeeren ym**. Epidemiol Infect. 2019 Jan;147:e160. doi: 10.1017/S0950268819000438. Epidemiol Infect. 2019. PMID: 31063093

[Predictive value of Borrelia burgdorferi IgG antibody levels in patients referred to a tertiary Lyme centre.](#)

Zwerink M, Zomer TP, van Kooten B, Blaauw G, van Bemmelen T, van Hees BC, **Vermeeren YM**, Landman GW. Zwerink M, et al. Among authors: **vermeeren ym**. Ticks Tick Borne Dis. 2018 Mar;9(3):594-597. doi: 10.1016/j.ttbdis.2017.12.014. Epub 2017 Dec 24. Ticks Tick Borne Dis. 2018. PMID: 29422448

[Depressive Symptoms in Patients Referred to a Tertiary Lyme Center: High Prevalence in Those Without Evidence of Lyme Borreliosis.](#)

Zomer TP, **Vermeeren YM**, Landman GW, Zwerink M, van Hees BC, van Bemmelen T, van Kooten B. Zomer TP, et al. Among authors: **vermeeren ym**. Clin Infect Dis. 2017 Oct 30;65(10):1689-1694. doi: 10.1093/cid/cix605. Clin Infect Dis. 2017. PMID: 29020278

[Ingestion of smoke fluid: Be aware of diethylene glycol.](#)

van Velzen A, **Vermeeren Y**, van Riel A, Meulenbelt J, de Vries I.van Velzen A, et al. Among authors: **vermeeren y**. Clin Toxicol (Phila). 2013 Nov;51(9):907. doi: 10.3109/15563650.2013.833621. Epub 2013 Aug 30.Clin Toxicol (Phila). 2013. PMID: 23992443

[Brachio-cephalic \('Gracz'\) fistula use for continuous hemofiltration in a hemodynamically unstable hemodialysis patient without venous vascular access: a case report.](#)

Spronk PE, Barendregt JN, Crooijmans G, **Vermeeren YM**, Rommes JH.Spronk PE, et al. Among authors: **vermeeren ym**. J Med Case Rep. 2007 Jun 30;1:39. doi: 10.1186/1752-1947-1-39.J Med Case Rep. 2007. PMID: 17603901

[Antibiotic treatment in patients that present with solely non-specific symptoms and positive serology at a Lyme centre.](#)

Nijman G, van Kooten B, **Vermeeren YM**, van Hees BC, Zomer TP.Nijman G, et al. Among authors: **vermeeren ym**. Eur J Intern Med. 2020 May;75:114-116. doi: 10.1016/j.ejim.2020.01.027. Epub 2020 Feb 16.Eur J Intern Med. 2020. PMID: 32070633

[Nonspecific Symptoms in Children Referred to a Lyme Borreliosis Center.](#)
